If you provide your E-mail address, we will provide you with the running order not later than the Tuesday following the draw in Excel and PDF format.

Running Order, Starting Numbers, Liability, Rules

Running order:

Dogs and bitches will be run in the order of the draw. Rule 6.6.1.c provides that "in a stake carrying championship points, a system of rotation must be implemented..." In the Open and Amateur stakes the starting order will rotate 25% of the entered field, rounded upward, with the provision that no dog will be required to be the starter for two series.

Starting numbers:

The order of running in the Open and Amateur stakes shall be in the order of the draw beginning with the dog determined using the S&P/TSX Composite Index closing number on the Tuesday preceding the trial. Please contact the Field Trial Secretary to receive a written explanation of the system. We will advise all contestants with E-mail addresses of the starting number on Wednesday June 16, 2010.

Release and Indemnification of Landowners:

By entering this trial, each participant agrees to assume all risks and hazards incidental to participation in the trial and agrees to release, save harmless and indemnify the owner(s) of any property upon which the trial is held together with their officers, agents, employees and representatives from all claims, actions, costs, expenses and demands in respect to death, injury, loss or damage to the person or property of the participant howsoever caused, arising out of or in connection with the participant's use or entry upon the property. It is understood that this agreement is binding upon the participant, or his heirs, his executors and assigns.

Rule 21.7

"It shall be the duty and obligation of the trial-giving club to see that a judge, club official, volunteer or any participant at an event held under these rules, is not subject to any indignities of any kind.
