## **NOTICE TO TRIALERS**

It shall be the duty and obligation of the trial giving club to see that a judge, club official, volunteer or any participant at an event held under these rules in not subject to indignities of any kind. The Retriever Field Trial Committee Chair shall promptly report to the CKC any infringement of this regulation, and the Discipline Committee shall have the authority to take such actions as it deems fit on receipt of a report indicating that this has occurred.

Judges shall have the power to disqualify any dog which shall not appear within fifteen minutes of the time designated for its turn to be tried, and to turn out of the stake any dog which does not obey its handler or any dog which they consider unfit to compete. Bitches in season may not compete and must be withdrawn. The entry fees of all such dogs shall be forfeited except in the case of bitches in season.

## **IMPORTANT ANNOUNCEMENT CONCERNING THE QUALIFYING STAKE**

The ARA consider the minor stakes (Junior and Qualifying) as very important events for "entry by new handlers and dogs" and as such, critical to the future. These stakes should provide the opportunity to practice handling skills, learn the ropes and allow the new dog and handler team to experience various tests.

Minor stake judges are being asked to callback all dogs that did not commit an eliminating fault as listed in Serious Faults. Judges are asked to be generous when considering accumulated moderate and minor faults. In addition, we are asking judges to permit all dogs to run all tests if time permits even if out of contention. Of course, contestants, professionals and experienced amateurs may opt to not run their dogs

not called back for various reasons. All of this is subject to time permitting and judges will have to determine that based on their task of finding the relative merits of retrievers.
