Excerpt from CKC Rules & Regulation for Hunt Tests

Chap.18: Sec.7: "It shall be the duty and obligation of the event giving club to see that a judge, club official, volunteer, or any participant at a hunt test held under these regulations, is not subjected to indignities of any kind. The Hunt Test Committee Chair shall promptly report to the Canadian Kennel Club any infringement of this regulation, and the Discipline Committee shall have the authority to take such action as it deems fit on receipt of a report indicating this has occurred."

For Your Information:

- COVID protocols as set forth by the WDGPHU will be in place. Maintain social distancing in the gallery and during handler meetings. Place retrieved birds as directed. All participants must sign and turn in a COVID waiver before the start of the test. This waiver will be posted on the event page on Dogshow.ca
- The marshall is in control of the stake. Do not approach the judges directly. Ask questions during the handler's meeting at the start of each test. Otherwise, direct inquiries through the marshall.
- Please check in with the stake marshall upon arrival at your stake. It is the responsibility of the handler to inform the marshall if they have dogs running in other stakes. The marshall has the authority to move dogs for the efficiency of the test. Please get your dog promptly and report to the holding blind when asked to do so.
- Game birds shall be used.
- Shotguns may not necessarily be used. However, handlers at SH and MH will be required to handle a gun or replica during the test, and handlers in JH may be asked to carry a gun/replica. At all levels the gun/replica shall be treated as though it is a real firearm. Gun safety is paramount, and unsafe gun handling can result in the handler's removal from the test.
- All handlers and observers must wear dark or camouflage clothing.
- We are a small club. It "takes a village" to put on a test. Handlers are advised that they may be asked to help operate a gun station when they are not running. Please pitch in if asked.
- Rosettes will be presented at each test site at the conclusion of each stake.
- No meals, drinks, or snacks will be available on site. Please bring your own.
